

# Stable Offshore (USD, net of all fees)

Report as at 31 Mar 2022

## 1. Investable Universe

Though the fund of fund is U.S. Dollar denominated. The fund is allowed to invest worldwide in any currency of its choice mainly in global fixed income instruments, and alternative investments with lower volatility.

## 2. Primary Objective

The primary objective is to buy mainly hedge funds with above average return but also with low down STD so as to make the fund an appropriate vehicle for clients who want to draw income or capital over the short term. The fund intends to compete and beat savings accounts and money markets, with a projected USD CAR net of fees of more than 10% per annum. Though the projected CAR of Stable of 10% per annum is lower than that of Moriah, Trading and Equities Offshore, its projected STD is also much lower, almost like that of a money market account, namely 2.5% per annum.
